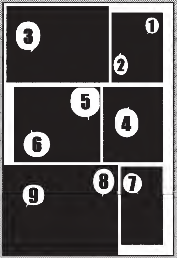
READING DIRECTIONS

This book reads from ***right to left***, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!



An Ocean in Peril

The young witch Wadanohara has returned from a journey across the sea, only to find that her peaceful ocean home has come under attack from the nefarious Totsusa Empire. Alongside her faithful familiars—Memoca, Dolphi, and Fukami—Wadanohara promises to do all she can to prevent a terrible war. But when a mysterious figure from her past demands that she leave, can the pure-hearted Wadanohara muster the courage and magic she needs to save the Sea Kingdom once and for all?
